# Subject Index

Acne, retinoids in, 6
Adolescents, tobacco use prevention in, 34
Adson's sign in thoracic outlet syndrome, 111, 159
Aging. *See* Elderly patients
AIDS. *See* HIV infection
Allen test for arterial patency, 161
Americans with Disabilities Act, 79, 198, 208
Athletes in college, female, health promotion for, 24

Bone tumors in childhood, 191
Brain injury, mild traumatic, 145
Brain tumors
  in childhood, 188
  sexuality in survivors of, 223
Breast cancer survivors, sexuality in, 223
Bursitis, subdeltoid, from cumulative trauma, 112

Cancer, 185
  in childhood, 186
    follow-up care for survivors of, 194
    and second malignant neoplasms, 198
  as chronic disease, 201
  diet affecting development of, 183
  economic impact of, 207
  oncology nurse practitioner, 180
  prevention and detection in adults, 215
  sexuality in survivors, 221
Caregivers
  for mentally retarded persons, 22
  spousal, 10
Carpal tunnel syndrome
  from cumulative trauma, 110
  from overuse, 156
Central nervous system tumors in childhood, 188
Chemotherapy
  in childhood, late effects of, 194
  sexual function after, 224
Chickenpox, and reproductive hazards in hospital workers, 102
Children
  cancer in, 186
    follow-up care for survivors of, 194
    and second malignant neoplasms, 198
Children (*Continued*)
  homeless, health promotion for, 29
  injuries of, control measures for, 167
  tobacco use prevention in, 34
College athletes, female, health promotion for, 24
Costoclavicular maneuver in thoracic outlet syndrome, 111, 159
Cubital tunnel syndrome
  from cumulative trauma, 110
  from overuse, 160

Depression in spousal caregivers, 12
deQuervain tenosynovitis
  from cumulative trauma, 112
  from overuse, 163
Devlin, Fran, as occupational health nurse practitioner, 56
Diet, and cancer development, 183

Economic impact of cancer, 207
Editorials, 1, 55, 179
Elbow tendinitis
  from cumulative trauma, 112
  from overuse, 163
Elderly patients
  rehabilitation of, 173
  spousal caregivers for, 10
Environmental exposures
  control of hazards in, 72
  health issues in, 64
Epicondylitis
  from cumulative trauma, 112
  from overuse, 163
Ergonomics, activities and devices in, 116
Ethylene oxide exposure, and reproductive hazards in hospital workers, 102
Etretinate, effects of, 61
Exercise programs at worksite, benefits of, 117

Falls by elderly persons, 176
Finkelstein test for deQuervain's disease, 164
Fluvoxamine in obsessive-compulsive disorder, 136
Froment's sign in ulnar nerve compression at wrist, 160
